LEGION ORGANIZES BOXING CLUB HERE

Announcement that the Canadian Legion is going to add boxing to its sports activities is something that should be good news to followers of the boxing game and to the many youngsters interested in the sport here.

Encouraging, too, is word of the appointment of Tommy Burgess, ex-soldier and a prominent former boxer, as chief instructor. Burgess has had considerable experience in the squared circle as an actual participant and later as a physical training instructor in the Canadian Army.

We understand that the Canadian Legion is going to go first class, just as they have in their other sports endeavors, by doing all in their power to build up the sport here. They plan to cater to schoolboys as well as older boxers, and have tentatively set the Vancouver Island schoolboy championships for late in April.

The over-all picture looks promising. But such a situation has offered itself to the city before, and then for some unknown reason cooled off considerably. However, we look for concerted action by the Canadian Legion Boxing Club and feel confident that something will be done for a sport which at one time occupied a prominent position on Victoria's sports calendar.

Victoria Dominoes Turn Back Seattle Cage Squad, 60-44

Norm Baker Racks Up 22 Points—Art Chapman Returns to Line-Up—Comets Beat C.W.A.C.

Given a tough battle for three quarters as they played some of their sloppiest ball of the season, Victoria Dominoes pulled away in the last ten minutes to hand the fighting White Centre Ramblers from Seattle a 60-44 setback at the High School gymnasium last night. In the opener, Bob Whyte's young Comets outscored a Vancouver C.W.A.C. quintette, 31-24.

Undefeated in the King County League, Ramblers floored a better than average club, whose shooting accuracy at times threatened to make things more than interesting for the Dominoes, but did not have enough first-rate players to cope with the local club. Dominoes were far from the club they can be and team play was lacking throughout most of the game. In addition, bad passing and inaccurate shooting kept them from any kind of a sustained offensive as they gathered their points in flurries.

Starting out with a rush, the visitors uncorked some amazing shooting to jump into a 9-0 lead in the early minutes. Chuck Chapman looped through one of his set-shot specials at the five-minute mark for the first Domino score. Rookie Wright kept his club in the game by pushing up eight points in the last five minutes, but Ramblers had a 19-14 edge as the second session started.

Dominoes tightened up defensively in the next period to hold their opponents to three points and finally move out in front just before the half to take a lead they never lost. Half-time score was 25-22.

Held to six points in the first half, Norm Baker came into his own in the third period as he racked up 15 points, but the Ramblers kept within striking distance as they again began to hit the basket with regularity and were only seven points down as the clubs embarked on the last quarter.

Hank Rowe and Busher Jackson led the final-period drive of the Dominoes with some pretty shooting as the local club pulled away to win handily.

Chuck Chapman once more was a standout for the winners, grabbing off rebounds under his basket, setting up scoring plays and finding time to score nine points for himself. Norm Baker again topped the scoring summaries with 22 points. The game marked the reappearance of Art Chapman for his old club and the lanky pivot ace received quite an ovation from the capacity crowd when he came on the floor.

Al Selfridge was easily the pick of the losing club, playing a great game both ways and shoving up 19 points to take down the scoring honors for his club. Les Logg was another steady performer, as was Dave Blakely, but lack of size as well as weaker reserves was too much of a handicap for the Ramblers.

Thelma Whyte and Lorraine McDonald, accounting for 23 points between them, led the way for the Comets as they outplayed the bigger Army girls, who displayed little in the way of team basketball. Winners were always ahead, but were given a battle for the first half. A bad third quarter, in which they only managed a single basket, was the undoing of the losers.

Teams and scores follow:

White Centre Ramblers—Ott 4, Logg 9, Selfridge 19, T. Johnson, H. Johnson 1, Blakely 7, Roberts 2, Killen 1. Total, 44.

Dominoes—Andrews 5, C. Chapman 9, A. Chapman, Baker 22, Jackson 7, Rowe 5, McKeachie 2, Wright 10, Straith. Total, 60.

Vancouver C.W.A.C.—McArthur 7, Smith 2, Parker 1, Hendle 5, Howe, Walker 7, MacFarlane 2. Total, 24.

Comets — McDonald 12, Essler, Mason 3, Robbins, Kennedy, D. Bradshaw 3, Mair, Whyte 11, Wallace 2. Total, 31.

BOBBY BELL

Playing manager and left fullback of the Victoria Wests soccer eleven, who will be at his regular berth this afternoon at Macdonald Park when the Greenshirts battle Nanaimo in a Jackson Cup fixture. Manager Jimmy Knight, of Nanaimo, will strip his strongest available line-up for the match with the league champions. Kick-off is scheduled for 2:30 p.m.

Cage Teams To Continue Play-Offs

Canadian Legion and Black and Whites will continue their torrid play-off for the city men's Senior "B" basketball title at the High School gymnasium tomorrow evening when they meet in the feature contest of the three-game play-off card.

Boasting one victory each in the first two games when the decisions were decided on long shots in the dying seconds, the evenly matched clubs have provided the season's most interesting local basketball and fan interest in the series has shown a sudden jump. Monday's contest will be all-important, leaving the winner only one triumph short of taking the title and putting the loser in the position where two straight wins will be necessary.

Preliminary games also provide their share of interest with Alcus and J.B.A.A. meeting in the deciding contest for the Intermediate "A" championship owning one victory apiece in the best-of-three series and Eagles and St. Louis College tangling in the opener in the second of the Intermediate "B" finals. Collegians surprised by handing the Eagles their initial loss of the season in the first game. Games will start at 7, 8 and 9 p.m., with the Eagles-Collegians set-to at 7, followed in order by the Intermediate "A" and Senior "B" tussles.

Bays, Victoria College Gain Rugby Triumphs

Oarsmen Trounce Oak Bay Wanderers, 20-0—Students Roll to 29-0 Victory Over Cadets

HOW THEY STAND

J.B.A.A.	4	0	77	12	8
Victoria College	3	1	56	17	6
Wanderers	1	3	18	81	2
Naval College	0	4	18	59	0

(Points)

Yesterday's scores: J.B.A.A. 20, Oak Bay Wanderers 0; Victoria College 29, Naval College 0.

One-sided victories were the order of the day as J.B.A.A. and Victoria College consolidated their respective holds on first and second place in the Barnard Cup race by rolling over Oak Bay Wanderers and Royal Canadian Naval College by scores of 20-0 and 29-0 yesterday afternoon's Rugby games at MacDonald Park.

Playing before a fair crowd, despite a bitter wind which swept across the James Bay enclosure, the twin bill offered little excitement for the fans as both winning teams completely dominated the play.

On the upper field, Victoria College started off with a scoring spree in the first 15 minutes of the game which netted them thirteen points. Darrell Popham made the initial try, going over after a nice three-quarter movement by the College backs. He missed his own conversion, to leave the score at 3-0. College continued to threaten, and after a five-yard scrum, big Cliff Denham fell on the ball to score a try which Latham converted to make it 8-0.

Continuing their drive, and using the wind to advantage, the civilian students pushed on to score again—this time by Russ Latham, who raced over after some broken-field running that was pretty to watch. Latham converted his score to boost the lead to 13-0.

Five minutes later, Gordie MacDonald made it 16-0 as he took a pass from Scrum-Half Buddy Lott and went over near the sidelines. Darrell Popham converted from a difficult angle. Shortly after, Doug Reid power-housed through the Navy defence to give Victoria College their final score of the half—making it 21-0.

After the breather, Naval College carried the play into their opponents' half, using the wind at their back to full advantage.

However, they never really threatened, as the College tackling broke up every rush they made.

The students from Craigdarroch got rolling again late in the second half, as Cliff Denham's long dribble resulted in a five-yard scrum from which Lott passed to Reid, who swerved between the Navy backs for a try between the uprights. Latham's kick was good to make the score 26-0.

The final score for Victoria College came almost at the final whistle as Gibbs, who played fullback for Navy, fumbled on his own twenty-five yard line, and Denham scooped up the ball, ran it to within a few yards of the Navy line before passing to Scott Kerr, who went over for the score. Popham's kick into the wind was no good, and the game ended with the scoreboard reading 29-0.

J.B.A.A. RUGGERS TROUNCE OAK BAY WANDERERS, 20-0

It was the same story on the lower field, with the powerful Bays outrunning, outkicking and outpassing the Wanderers to the tune of 20-0.

In the first half, Ranson took a pass from Jerrey Horne to make the count 3-0. A few minutes later, Bill Brodigan, Bays' forward, crashed over after taking the ball in a line-out. Tom McKeachie made no mistake on a free kick awarded for the Wanderers picking up the ball in a scrum, and the score at half-time read 9-0.

The Oak Bay boys showed more fight in the second half, but could not score. Pushing back, the Bays got rolling once again, and Duff McCaghey took a pass from Carney for still another try, to make it 12-0.

Minutes later, Fred Ranson beat everyone to a ball which was kicked over the Oak Bay line to put the Bays ahead 15-0. Just before the final whistle, Ritchie Williams followed up a nice dribbling effort by the Bays forwards by falling on the ball between the posts. McKeachie made the only convert of the game to complete the scoring for the day, and give the J.B.A.A. a 20-0 victory.

The students of Victoria College again added a great deal of color to the games with their new mascot, Ulysses the goat, a parade to the park following a pep meeting, and a cheering section complete with a band. They staged a snake parade at half-time, led by the goat, and spelled out Victoria College with huge placards. Bob Doe and Jack MacDonald were in charge of this entertainment provided for the fans.

Toppers Take 2-0 Victory In Cup Match

Hanging tenaciously to their lead after scoring two quick counters in the early minutes of the second half, Toppers handed V.M.D. a 2-0 blanking at Heywood Avenue yesterday afternoon in a dull Phoenix Cup fixture. The win started the cafemen off on the right foot in the round-robin series, while the loss was the second for the shipyarders in three starts in the competition.

Neither club was able to field their strongest line-up with V.M.D. forced to start shorthanded and the resultant 90 minutes produced little in the way of good football although the losers were dangerous late in the game when they pressed for the equalizing goals. Lack of finish and some steady blocking by the Druce brothers kept them from reaching the score sheet.

Toppers opened with a rush and Sage forced Stewardson to save a driving shot in the first seconds but the pace soon lagged and the balance of the first half was confined mainly to midfield with neither goal seriously threatened.

Nip Sage broke through soon after the start of the second half but was pulled down in the goal-mouth. Referee Obee awarded a penalty kick and Sage beat Stewardson with a high curving shot. V.M.D. came right back and were unfortunate in missing the tying counter when a terrific shot caromed off an upright. Dallimore picked up the rebound but took too much time in getting set and his shot was blocked by the backs.

This break proved to be the turning point in the contest with the Toppers going two up on the return rush down the field with Young beating Stewardson to a loose ball and scoring on the unprotected goal. Shipyarders had much the better of the play for the balance of the game but failed to score. Numerous line-up changes failed to have the desired effect and the game ended with the V.M.D. forwards still swarming around the Toppers' net.

Vic Painter and Frank Clarkson, Uplands Golf Club duo, will defend their city golf buttons today at their home course in a challenge match with Harold Lineham and C. Carnegie, of the Royal Colwood Golf Club. The foursome will tee off at 1 p.m.

Local Club Defeats Mainland Swimmers in Intercity Gala

Victoria Y.M.C.A. Swimming Club, under Coach Archie McKinnon, maintained their unbeaten record in the local pool last night when they defeated the Vancouver Olympic Y.M.C.A. Swimming Club in a dual meet at the Crystal Garden. The locals piled up 88 points to the losers 14.

The Mainland club won only one event, the junior boys' 200 yards freestyle relay, placed second in one and third in three others, on the 22-event programme.

Jim Randall, who recently took over the coaching duties of the Vancouver Club from Noel Morrow, reported his fastest swimmer, Jim Hawthorne, was unable to compete owing to serious illness of his brother in Vancouver. Sickness and other causes reduced the size of the Mainland contingent and only a limited number of events were entered.

An exhibition of diving from the three-metre board by Ted Rau, well-known local performer, was a feature of the evening's programme. Rau, who has been absent from the city for a number of months, put on a good display despite his prolonged lay-off. Comedy dives by Bob Montgomery and Don Wilson also delighted the large audience. Leslie Rimmer, one of Coach McKinnons beginners, exhibited several plain and fancy dives.

TORONTO, Feb. 9 (CP).—The Toronto Maple Leafs kept alive their hopes of winning their way into the Stanley Cup playoffs tonight by defeating the Detroit Red Wings, 4-2, in a National Hockey League game before 14,371 fans.

A two-goal scoring display by Centre Billy Taylor and a sound netminding job by Turk Broda, playing his second game in goal since returning from overseas service with the Canadian army, combined to produce the victory for the fifth-place Toronto team over the Red Wings, who stand in fourth place.

The result narrowed the Detroit margin over the Leafs to four points. The Toronto team has a chance to narrow the gap still further when the two teams play in Detroit again tomorrow night.

Goals by Taylor and his line mates — Gus Bodnar and Gaye Stewart—gave the Leafs a 3-0 lead before Carl Liscombe spoiled Broda's chances of a shutout at 7:19 of the third period. Although Liscombe got the goal unassisted, it really resulted from an inspired bit of play by Detroit defenceman Bill Hollett. Taylor's second goal followed the Detroit score.

SUMMARY

First Period—1, Toronto, Taylor (G. Stewart) 16:09; 2, Toronto, Bodnar (Stanowski) 17:15. Penalties—none.

Second Period—3, Toronto, Stewart (Bodnar, Goldham) 19:08. Penalties—Lindsay.

Third Period—4, Detroit, Liscombe 7:19; 5, Toronto, Taylor (G. Stewart) 14:24. Penalties—none.

CANADIENS TURN BACK CHICAGO BLACK HAWKS

MONTREAL, Feb. 9 (CP).—Playing fast and aggressive hockey, Montreal Canadiens swamped Chicago Black Hawks for a 6-2 victory before a capacity crowd of 13,516 fans here tonight to close the gap that separates them from the National Hockey League second-place Hawks to one game.

Bill Reay spearheaded the Montreal offensive with a brace of tallies while Kenny Reardon, Leo Lamoureux, Bobby Filion and Jimmy Peters added the other. Clint Smith and George Allen were the Chicago snipers.

Playing their first game with a complete line-up since December 26, Canucks rallied around Goalie Bill Durnan, who turned in a neat effort of goal stopping to take their second game of the season over Hawks. Durnan was playing his initial game since he broke a hand against Boston Bruins here a month ago.

Canucks' third line of Billy Reay-Murphy Camberlain and Jimmy Peters proved the most disastrous to Hawks, contributing half of the Montreal goals while Mike Karakas played a steady game in the Chicago nets but he was given poor protection from his defence.

SUMMARY

First Period—1, Chicago, Smith (Horeck, Hamilton) 4:33; 2, Montreal, Reay (Chamberlain, Peters) 15:36; 3, Montreal, Reardon (Peters) 16:02. Penalties—Chamberlain, Hamill.

Second Period—4, Montreal, Lamoureux (O'Connor, Benoit) 5:29; 5, Montreal, Filion (unassisted) 19:55. Penalties—none.

Third Period—6, Chicago, Allen (unassisted) 6:05; 7, Montreal, Reay (Peters, Chamberlain) 8:10; 8, Montreal, Peters (Reay) 9:50. Penalty—Harmon.

Three Vancouver Rugby Teams Will Be Here Saturday

Determined to avenge the earlier defeat they sustained at the hands of Coach Dan Doswell's Varsity Thunderbirds, present holders of the McKechnie Cup, Victoria's Crimson Tide ruggers will undergo three stiff training sessions this week at Macdonald Park, the scene of Saturday's clash with the Thunderbirds.

Manager R. H. "Bob" McInnes and Coach Bert Buller yesterday announced that workouts will be held at Macdonald Park on Monday, Tuesday and Wednesday evenings at 7:30.

In the meantime, word from Jack Waters, secretary of the British Columbia Rugby Union, advised local officials yesterday that three Vancouver fifteens will be here this week-end. In addition to two University of British Columbia teams for games with the local Reps and Victoria College, St. George's School will make the trip to oppose Royal Canadian Naval College.

While complete details are lacking, colorful ceremonies will be staged at Macdonald Park in conjunction with the inter-city matches. Spencer's Remnants Band will accompany the Vancouver players, and Mayor Cornett of that city has been invited to join Mayor Percy E. George in the pre-game ceremonies.

TOAST and TEA

By J. V. McAREE

YOU have probably read this before, but it will do you no harm to read it again, for it is from a very famous essay indeed, John Stuart Mill's on Liberty: "It really is of importance, not only what men do, but also what manner of men they are that do it. Among the works of man, which human life is rightly employed in perfecting and beautifying, the first in importance is surely man himself. Supposing it were possible to get houses built, corn grown, battles fought, causes tried and even churches erected and prayers said, by machinery — by automatons in human form — it would be a considerable loss to exchange for these automatons even the men and women who at present inhabit the more civilized parts of the world, and who assuredly are but starved specimens of what nature can and will produce. Human nature is not a machine to be built after a model, and set to do exactly the work prescribed for it, but a tree, which requires to grow and develop itself on all sides, according to the tendency of the inward forces which make it a living thing."

Preston North End and Charlton Play to Draw

League South Leaders Held to 1-1 Draw in Cup Match—250,000 Witness Cup-Tie Fixtures

LONDON, Feb. 9 (CP).—Charlton Athletic, powerful leaders in British soccer's League South who have been widely picked to win the first post-war English Football Association Cup, were held to a 1-1 tie today by League North's lowly Preston North End, as 16 teams played first games of fifth round cup competition.

More than 250,000 fans jammed the stands for eight cup games. The second games of the home-and-home, total-points series will be played before next week-end.

One other tie was registered in cup play—a 1-1 draw between Bolton Wanderers and Middlesbrough. However, in six games Bradford, Derby County, Aston Villa, Brentford, Stoke City and Sunderland scored clear wins to give them advantages ranging from one to three goals going into the latter half of the round.

The day's biggest crowd—60,000—turned out to watch Aston Villa win 1-0 over Chelsea and there were 45,000 on hand to watch Stoke City take a 2-0 victory from Sheffield Wednesday and a similar turnout at the Sunderland-Birmingham City tilt which saw Sunderland win 1-0.

Only four matches were played in League North's regular schedule and the results left the standing unchanged. The first-place Sheffield United scored an easy 7-0 shutout over Grimsby Town, and Everton, in second place, defeated Manchester City, 4-1.

The top four teams in League South were playing cup games. The fifth-place West Bromwich Albions won 4-1 from Fulham, but remained four points behind Derby County.

There was no change in the standing of "A" Division in the Scottish League. The top four teams won handily — Glasgow Rangers, 5-2, from Queen of the South; Aberdeen, 2-1, from Heart of Midlothian; Hibernians, 3-1, from Partick Thistle, and Celtic, 3-1, from Motherwell.

Mount View and Oak Bay Elevens To Meet Tuesday

FINAL of The Colonist Cup soccer series will be played Tuesday afternoon at Windsor Park, with Oak Bay High School and Mount View High School as the opposing squads. The former defeated Victoria, former holders of the trophy, while the latter team accounted for Esquimalt and Mount Douglas. The final promises to be one of the best in years and will be a repetition of the recent play-off for the Brock Whitney Cup. In that match Mount View nudged Oak Bay, 1-0. Tuesday's Colonist Cup final will get under way at 3:30 p.m.

Clippers Take Opening Game Of Play-Offs

NANAIMO, B.C., Feb. 9 (CP).—Rapping home three last-period goals without a reply, Nanaimo Clippers went one up on their best-of-five Pacific Coast Junior Hockey League final as they defeated New Westminster Cubs, 8-3, here tonight before 1,400 fans.

Clippers established a 3-0 lead in the first nine minutes of play on two goals by Davey Jones and one by Les Mitchell before Cubs got organized. Nevertheless, before the period ended the Royal City icemen had whittled Nanaimo's lead on a brace of markers by Don Berry and Denny Barclay.

New Westminster knotted the score when they sank the second period's only goal, Dalzell winking the red light. Contrasting the fast, open first frame, the teams continued to play fast hockey but tightened up considerably on the checking, with Cubs having the better of the exchanges.

The final frame was only five minutes old when Clippers notched what proved the payoff goal, Jones finishing off a smart three-way play that had Prestley and Larsen doing the spade work. At the 13-minute mark Nanaimo clinched the issue on Whitfield's effort. Robertson, on a pass from Louden, added a sixth.

Cubs made a stern fight over the 60 minutes of play and the final score was hardly indicative of the game. At time both goalies were called on to come up with brilliant saves when goals appeared imminent.

The two clubs meet in the second game of the finals at New Westminster Monday night. Tentative dates for the third and fourth games are Wednesday and Thursday at Nanaimo.

SUMMARY

First Period—1, Nanaimo, Jones (Larsen) 4:59; 2, Nanaimo, Mitchell (Jones), 5:35; 3, Nanaimo, Jones (Scott), 9:03; 4, New Westminster, Berry (Dalzell), 11:30; 5, New Westminster, Barclay (Maguire), 16:59.

Gun Dog Club Reorganized

Dormant since the beginning of the war, the Victoria and District Gun Dog Club has reorganized. T. Brown is the new president; T. Dick is vice-president, and B. Topp Turner is secretary-treasurer.

The Victoria club introduced field trials and retrieving trials on this coast, and through the years the trials have grown into an important sport for dogmen and hunters, especially as to value and sale of good hunting dogs.

If suitable grounds are found, field trials will be run this Spring, and also retrieving trials from land and water. The club expects to enroll a large number of new members and to keep ahead of the lively interest being shown by young hunters in good dogs.

Toppers Will Meet North Shore United Here Next Saturday

DEFINITE word was received from Vancouver yesterday stating that North Shore United would appear here for their scheduled exhibition game against the Toppers on Saturday, Carle Rodway, secretary of the Victoria and District Football League, announced last night.

Rated only a notch behind the powerful St. Andrews eleven, North Shore play a bustling type of football which should prove more effective against the local club. One of the features will be the appearance of the much-discussed centre-forward, Fred Whittaker, who recently received an offer from Notts County after his sensational scoring efforts during the present season.

The match will be played at Royal Athletic Park commencing at 2:30 p.m.

THUNDERBIRDS WIN

VANCOUVER, Feb. 9 (CP). — In spite of the absence of one of their regulars, Richie Nicol, the University of British Columbia cagers, co-holders of the top position in the Northwest Conference Basketball League, handed the University of Portland Pilots their fourth consecutive defeat, 72-46, in the final game of a home-and-home series, here tonight.

Oak Bay Team Takes Honors

HOW THEY STAND

	W.	L.	D.	Pts.
Oak Bay	7	1	2	16
Signal Hill	4	2	5	13
H.M.C.S. Uganda	4	2	3	11
Saanich	0	10	0	0

Oak Bay clinched the Second Division soccer title at Bullen Park yesterday afternoon when they handed the second-place Signal Hill eleven a 5-2 setback in the deciding contest. Only one game, between Oak Bay and Saanich, remains to be played and the outcome can have no bearing on the final standings, with Manager Alf Richards' charges out in front by three points.

Winners staged a courageous uphill battle to take the game, at one time being two goals in arrears after playing most of the first half minus their clever right winger, Don Robinson, who had to leave the field with a sever attack of cramps.

Oak Bay scored the first counter at the eight-minute mark, Knappett finding the net on a pass from Len French. Army walked off at half-time with the score knotted at 1-1 when the Oak Bay defence slipped up and allowed the tying goal.

Taking the offensive, the soldiers went two goals up in the first ten minutes of the last half as Jimmy Worswick and Sampson sparked their attack. Newman and Denoni rallied the Bays and they surged back to tie it up again, French and Robinson getting the goals.

The same pair completed the scoring in the late minutes of the game. French, who played a dangerous game all afternoon at centre forward, got the winner with his third goal, and Robinson added his second to make the decision certain.

Black and Whites Defeat Vancouver

Black and Whites Second Division juvenile soccerites had little trouble with Vancouver Hillcrests at Beacon Hill yesterday afternoon, handing the visiting club an 8-0 lacing.

Goals by Whittingham and Main gave the winners a 2-0 lead at half-time. After the intermission, Main came through with the hat trick and Whittingham, McKinnon and Pynn added singletons to give the Taximen their final margin.

Province Will Intensify Loggers' Safety Drive

Logging accidents claimed another life on Friday when Ernest Udy was killed in the woods at Ucluelet, West Coast of Vancouver Island.

It was the fourth such fatality in the five weeks since the start of the year and prompted A. M. Whisker, Provincial Government safety officer, to comment that loggers had got off to a bad start, since most camps are closed at this time of year and accidents should be at a minimum.

If they continue at the present rate last year's total of 554 deaths in logging accidents will be eclipsed.

The logging management had largely overcome mechanical causes of accident, Mr. Whisker said. It remains for the loggers themselves to come to a full appreciation of the hazards of their work, and an intensified safety campaign will be conducted throughout the province this year.

Udy was employed by the North Coast Timber Company. His home address is not known, but it is believed he was a Ucluelet man.

They Have the Tools Now; Good Crops Should Follow

With one eye on the calendar and the other on the sky, Victoria gardeners are limbering up their spade arms and trying to convince themselves that the bright paper crop of seed packages in store windows is a sign of Spring and a herald of more substantial crops to come.

Granted fair weather, the earth of a thousand gardens will soon shake under the impact of a thousand new spades wielded by hopeful Victorians planting early vegetables and flowers.

Each sunny day sends more people to seed counters and hardware stores. Now that Canada is beating bayonets back into hoes, the stock of garden tools is the biggest since the start of war, local merchants report.

Such garden items as spades and forks, short for several years, are here in abundant quantities, and there have been many buyers during the last two weeks. For hose connections and other garden purposes, metal is coming back into its own in place of plastics.

Slugs, beetles and miscellaneous vermin crouching low in preparation for the Spring assault have some worries ahead, for D.D.T., the miracle insecticide developed during the war, is making its civilian appearance as a garden spray.

Naval Information Executive Is Here

Lieut.-Cmdr. E. F. B. Watt, M.B.E., R.C.N. (R), attached to naval information offices of Naval Service Headquarters in Ottawa, arrived in Victoria last week on a routine visit.

Friday he visited various naval authorities, and inspected naval facilities at Esquimalt.

During the war Lieut.-Cmdr. Watt was in command of the naval boarding service operations covering both coasts. During the war, personnel under his command made close to 50,000 boardings on merchant vessels in Canadian waters.

A former resident of Victoria, Lieut.-Cmdr. Watt is the author of the well known poem "Who Dare to Live"—the story of a merchant vessel captain who decided to live on Vancouver Island.

While here, he was accompanied by Lieut. Glyn Lewis, public relations officer at Esquimalt naval base.

According to Culbertson - - - -

There is no greater fallacy in bridge than to leave in partner's penalty double because you are void or have a singleton in the doubled suit, and he "therefore must have a lot of the opponents' trumps." Such reasoning becomes infinitely more absurd when, in addition to the aforementioned void or singleton, you have substantial length in another suit that was bid by partner before he doubled.

Let's look at a deal in which the East player was shamefully guilty on both counts.

West, dealer.
Both sides vulnerable.

West	North	East	South
1 ♦	2 ♣	Double	2 ♠
Double	Pass	Pass (!)	Pass

This was the bidding in a prominent New York club, where all four players were rated expert or near-expert!

As it happened, the two-spade contract could have been defeated a trick, but even this would have been poor compensation to East-West for the cold game in diamonds or no trump that would have been theirs for the bidding. When, through faulty defence on East's part, the doubled contract was actually fulfilled, the "swing" against East-West was tremendous.

Defending his two actions in the bidding, East said that his great strength in the suit bid by West had indicated that West had several tricks outside the diamond suit; hence, with East's own two club tricks, it had appeared that the club contract could be severely trounced, whereas there was no guarantee that any game could be made by East-West. As for his leave-in of the two-spade double—well, the same reasoning had applied. West must have great strength in spades, and in hearts as well, so where would South find the necessary tricks?

All this, of course, ignored the point that East, with five of partner's suit, including 100 honors, at no time thought it worth while to support that suit!

Owned by E. W. Burkinshaw, Victoria, Rosemont Oxford Ora, 142941, led the two-year-old class on two milkings in the 305 day division. This cow produced 9,952 pounds of milk containing 432 pounds of fat, and was awarded a silver medal certificate.

Plans Being Made For Sewage Project

PORT ALBERNI, Feb. 9.—The Provincial Board of Health has notified civic authorities that sewage disposal plans will arrive here shortly, and that following consideration of them the City Council will be in a position to hold a referendum.

At this week's meeting of the council a motion was introduced that a draft by-law be prepared for the sewage disposal project, covering the entire amount of money required for the work, which, however, will be borrowed as required.

The by-law will be prepared on this understanding, and in the meantime Mayor W. C. Hamilton, who will go to Victoria shortly on municipal business, will discuss the project with Municipal Inspector Bracewell. He will be accompanied on the trip by the works superintendent, H. Fowlie.

School Trustee Resigns

PORT ALBERNI, Feb. 9.—Frank Flitton, member of the Alberni School Board, has resigned, necessitating the election of a new member. It is understood the school board has the power to fill the vacancy by its own action until the end of the year.

Plan Restoration Of Zulu Village

CAPETOWN (CP).—Headquarters of the infamous King Dingaan, the Natal centre of the former royal kingdom of Zululand, may rise again from the ashes it became when the Zulus used a "scorched-earth" policy in 1838.

The South African Historical Monuments Commission is considering rebuilding the more important huts in the kraal. The intention to reopen some grain pits, which have remained untouched since Dingaan's defeat in 1838, may [illegible] natives' superstition.

The history of Dingaan is one of murderous treachery. In 1837, Pieter Retief, leader of the first party of Boer immigrants to enter Natal, received formal concession to settle in the country and then was murdered by the Zulus under Dingaan's orders. After two unsuccessful attempts to avenge their slain in which the Boers were aided by the British, Dingaan's army was defeated on December 16, 1838, by a Boer force under Andries Pretorius. The defeat of the Zulus, as well as the anniversary of the proclamation of Boer independence in 1880, is celebrated in South Africa on Dingaan's Day, December 16.

Members of the Historical Monuments Commission feel that if the natives are assured that the reconstruction of the kraal will perpetuate their history they will welcome the move.

From several descriptions written by contemporary European traders and missionaries it is believed the kraal was formed of two concentric circular hedges between which stood the circular row of huts. Opposite the entrance were the king's quarters where his wives were housed in a seclusion which meant death to any male intruders.

According to a report left by Retief, the royal kraal contained 1,700 huts, each of which accommodated about 20 men, forming more of a barracks than a town. It was here that Retief and his associates were killed by Dingaan. When the avenging Boers arrived at the kraal a few months later they found it in flames and deserted.

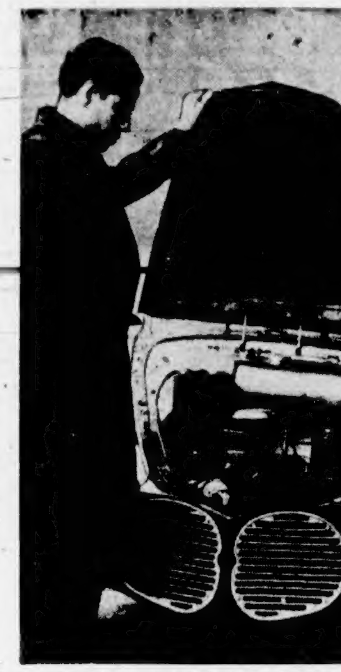
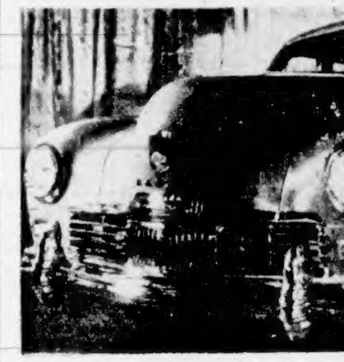
Low-Priced Cars in Production



England is rapidly swinging into full-scale big-time production of a new type automobile, something designed to give the "little fellow's" pocket-book a break while furnishing him private transportation. Shown is an engine view of the Kendall, a two-cylinder, six-horsepower, front-engined, front-wheel-drive car, being built by Denis Kendall, M.P., at Grantham, England, to market for approximately $500. Aneurin Bevan, Minister of Health, right, has the engine shown to him by Mr. Ahmed, left.



A front view of the new Kaiser car made by the Kaiser-Frazer Corporation, United States. The car had its premier showing at the Waldorf-Astoria, New York. It is the first American car in the low-priced field to have front-wheel drive. Unlike other types of front-wheel drive made in the United States, the Kaiser engine is placed forward of the front driving axle.

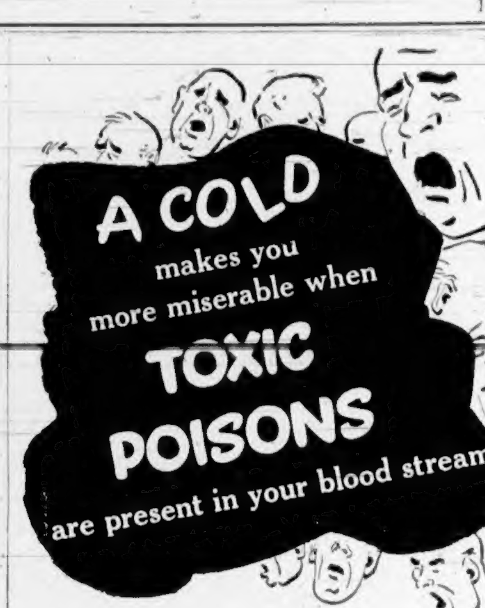
ANSWER TO LAST PUZZLE



You can't expect to be completely comfortable with a cold. But a cold is much more endurable when your system is in good working order. For when the system is clogged with waste, certain toxic poisons find their way into your blood stream and make you feel miserable all over. That's one reason why headaches and other discomforts often accompany a cold.

If you have a cold, the first thing to do is to make sure you are not constipated.

Andrews Liver Salt . . . a pleasant-tasting, effervescent, saline laxative . . . offers just the help you may need. A sparkling, bubbling glass of Andrews Liver Salt first thing in the morning, when needed, will usually relieve constipation before you leave for work. Andrews acts fast . . . but just as gently as you like, depending on the amount you take.

Andrews Liver Salt neutralizes excess stomach acid—an important point in fighting the discomforts of a cold.

Remember that Andrews Liver Salt *tastes good*. So don't accept a substitute. Insist on getting real Andrews Liver Salt and *get going* again.

They say she has OOMPH

Look at this woman. She's getting close to 40, but you'd never guess it! She has more pep and energy than a teen-ager! Like many modern mothers who take good care of their health—she simply refuses to pay the penalty of middle age and allow her system to be "slowed-down" by toxic waste resulting from too much rich, fatty food and lack of exercise. She knows that the extra-mild action of Bile Beans tones up her system by stimulating the liver—helps keep her fit and trim. So take her hint and try Bile Beans—"The Remedy that Wakes Up Nature". "Chocolate Caliente" in Cuba—
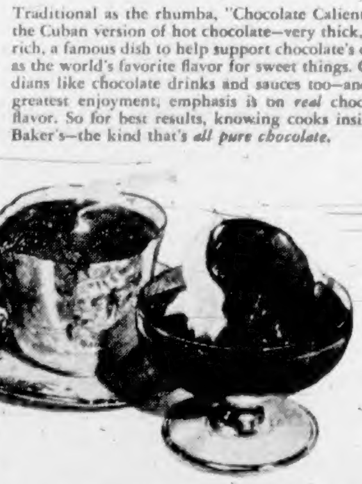
in Canada, it's Chocolate Syrup or Sauce

Traditional as the rhumba, "Chocolate Caliente" is the Cuban version of hot chocolate—very thick, very rich, a famous dish to help support chocolate's claim as the world's favorite flavor for sweet things. Canadians like chocolate drinks and sauces too—and for greatest enjoyment, emphasis is on *real* chocolate flavor. So for best results, knowing cooks insist on Baker's—the kind that's *all pure chocolate.*



REAL CHOCOLATE SYRUP
(For use in beverages or as sauce)
4 squares Baker's Unsweetened Chocolate
1¼ cups water — 1 cup sugar
¼ teaspoon salt — ½ teaspoon vanilla
Combine chocolate and water in saucepan. Stir over low heat until chocolate melts and mixture blends. Add sugar and salt and stir while bringing to boil and boiling gently for 2 minutes. Remove from heat and add vanilla. Cool. Turn into jar, cover tightly, and store in refrigerator. Recipe makes 2 cups.
For Chocolate Drinks: Add 2 tablespoons of above mixture to 1 cup hot or cold milk. Stir. For marvellous Frosted Chocolate, add a scoop of ice cream to the cold drink . . . beat, or shake up in shaker.

Baker's for True Chocolate Flavor: Baker's gives chocolate flavor so rich, so true, so delicious, that it makes a new thrill of every dish in which it is used. Made from the choicest of cacao beans and ground to satin-smooth perfection, Baker's is *all pure chocolate* — nothing is added, nothing is taken away. In each package, the 1 ounce squares are individually wrapped for convenience.

THIS BACHELOR EXISTENCE sure gets my goat, so I hope the G.P. soon gets on that boat. Those noisy kids, I miss them, too; all alone with the cat just doesn't do. With her Ma and their Granny they've stayed long enuff, and I'm fed up with eating this restaurant stuff. Besides, the house, always cosy and nice, is now forlorn and cold as ice. I sed to Fluffs, curled up in his chair, I wish I were a cat an' had your hair. Then I'd be warm and never alone, I could go outside and hiss and moan. Your girl friend shows up very soon, an' U just sit and stare—and spoon. All he said as I gave him his chow, this cream is sour, "mee-ow" and how. By the look on his whiskers I knew that he meant it, "this cream's from a cow that's discontented."

U'D ALWAYS B HAPPY with this kind of a studio lounge . . . looks just like a fine sofa . . . sleeps like a finer bed—

Larger Production Of Food Necessary

Food production on a more efficient scale is essential if Canada is to maintain her export markets and agricultural scientists must take the lead in making sure that the farmer is kept well informed as to best production methods. This was the keynote of the talk by Mr. L. B. Thomson, National President of the Agricultural Institute of Canada at a meeting of the Victoria and Islands Branch held recently at the Dominion Experimental Station, Saanichton.

Mr. Thomson, who is superintendent of the Dominion Experimental Station at Swift Current, Saskatchewan, outlined the place the Institute should take in Canada's future, emphasizing that it must be prepared to advise authorities on important agricultural problems. He spoke of the special scholarship fund which the Institute is sponsoring in order to provide the means by which the best students interested in agriculture, particularly in rural areas, might acquire university education and go on to service in scientific agriculture.

Mr. Thomson mentioned, too, the Institute Review, official organ of the institute, published bi-monthly, which recently has been published in special issues devoted to a particular phase of agriculture, such as the livestock industry in Canada, and Canada's soils. These comprise papers by leading authorities in their field and are important contributions to our current knowledge and appreciation of the fields which they cover. The value of science to agriculture was stressed and cases instanced where returns from scientific research repaid many times the outlay for such research.

The Agricultural Institute of Canada, formerly the Canadian Society of Technical Agriculturists, is a nation-wide organization of scientific agriculturists devoted to serving the country in agriculture. It comprises a head office at Ottawa and 20 branches, located in every province of the Dominion.

Mr. J. J. Woods, Superintendent of the Saanichton Experimental Station, and president of the local, was in the chair and introduced the speaker. Among the guests present was the Hon. Frank Putnam, Provincial Minister of Agriculture, who spoke briefly on the contributions which scientific agriculturists could make to Canadian agriculture in helping to attain high quality products necessary to maintain export markets.

Iodine for Livestock

There is no area in the province of Manitoba where iodine may be safely left out of the Winter ration of farm livestock. At the Dominion Experimental Farm at Brandon, iodized salt in granular form is used regularly. For breeding stock, an additional allowance of potassium iodide is supplied in the feed daily during the Winter months. Two ounces of potassium iodide are dissolved in a gallon of water, and a teaspoonful of this solution is added to the feed or drink for each brood sow daily. The allowance given brood mares is double that amount daily. For breeding ewes, the addition of two ounces of potassium iodide, dissolved in a small amount of water and mixed with one hundred pounds of salt, meets their needs. All over Canada, Winter is the time when the feeding of potassium iodide to breeding animals should be commenced.

Trellis Vs. Pole Hops

Work on hops by the Dominion Department of Agriculture has become more diversified since the establishment of the Illustration Station at Fournier, Ont., in 1937 for the express purpose of studying the nutrient requirements of this crop. Studies relative to methods of training and disease control were instituted in 1939. Results from five years' work in comparing pole training to that on strings attached to an overhead wire trellis give average yields of 961.9 pounds per acre on ... on the wire trellis. Hill mortality has been slightly lower on the trellised area throughout the years' experiment.

Pasture for Poultry

The value of pasture for poultry is becoming increasingly appreciated, and for some time past the Dominion Department of Agriculture have been carrying out research in determining the most satisfactory of the common forage crops when fed to laying hens. Among the most palatable were red clover, Fall rye, an alsike-timothy mixture, Ladino clover, alfalfa, and brome grass. ... canary grass, and red fescue were not so satisfactory.

COLD GOT YOU ALL STUFFED-UP?

Do This Quick for Relief!

If you are sneezing and snuffling from a cold . . . all stuffed-up, with your nose and throat raw and sore—combat this distress, as thousands do, by gargling with new Pepsodent Antiseptic.

The reason it's recommended is this: Standard laboratory tests *prove* new Pepsodent Antiseptic kills millions of germs that go with colds. The very type of germs that many medical authorities say often *heighten* the misery and *prolong* the effects of a cold.

Isn't it only common sense then, to gargle with new Pepsodent Antiseptic at first sign of a cold! What better way to combat millions of germs that swarm on mouth and throat surfaces as far back as you can reach . . . back where illness often strikes first!

So treat a cold this sensible way: Get plenty of rest, avoid exposure, dress warmly, drink plenty of liquids . . . and gargle *frequently* with new Pepsodent Antiseptic. See if you don't relieve discomfort almost at once!

Barbara Mackay and Stan Ngai Champions

Annex Singles Titles at Annual Table Tennis Tournament—Record Crowd Witnesses Finals

Pacific Coast champion, Barbara Mackay, captured the ladies' singles title, defeating Ruth Payne, defending titlist, in the feature victory of the Victoria city table tennis championships completed last night. Scores in the battle were 19-21, 21-19, 21-11, 21-18. Miss Mackay's superb defence and smart forehand combined to defeat the many-times Western Canada and British Columbia champion.

Stan Ngai, club champion, took a brilliant five-game victory from Will Browne-Cave, former titlist, 21-14, 27-29, 23-21, 17-21, 21-12, to become the new city singles champion, succeeding Ray Dawson, who was eliminated by Browne-Cave in the semi-finals. Last night's final was one of the closest fought and most exciting in the 13 years of city tennis play, with these steady 19-year-old ace displaying superlative driving power on both forehand and backhand to crack the veteran's stubborn defence.

Art Ngai defeated his brother, Eddie, club champion, in the junior final, 21-16, 21-23, 22-20, 21-19, in an all-Chinese affair.

Eric Goodwin and Garth Corke, rapidly improving juniors, turned in a fine display which saw Goodwin capture the Senior "B" title, 19-21, 24-22, 21-14, 22-20.

Ruth Payne and Bill Cotton duplicated their victory in the club mixed doubles, capturing the final from Nancy Ley and S. Ngai, 22-20, 21-17, 21-15, in a well-contested match.

Biggest upset in several years saw Stan and Art Ngai dethrone Vic Tully and Ray Dawson, holders of the Western Canada, British Columbia and city titles, 21-19, 21-19, 21-13 in the men's doubles. Undefeated in six previous tourneys, Tully and Dawson appeared far from the team which defeated Philan and McLarty, Portland champions, in the 1945 Western Canada championships.

Ruth and Joy Payne successfully defended their ladies' doubles, winning from B. Mackay and N. Ley, 21-19, 19-21, 21-18, 21-8, in a hard-hitting battle.

Last evening's play was witnessed by a record crowd which was treated to one of the most successful tournaments in Victoria history, with play in all events being bitterly contested throughout.

Tournament Chairman Bill Cotton expects to hold the provincial meet next month, and already has lined up a record outside entry, with Art Barran, Western Canada titlist, and Len Butchart, present British Columbia champion, heading the expected out-of-town entries.

Hogan, Nelson Share Lead in Texas Tourney

SAN ANTONIO, Texas, Feb. 9 (AP).—Texans took charge of the Texas open today as bantam Ben Hogan raced in with a six-under-par 65 on the wind-swept Brackenridge Park course to tie Byron Nelson for the lead at the halfway mark at 132 for 36 holes.

Hogan's great round was climaxed by a birdie deuce on No. 18 after the little giant of the fairways had counted two eagles on his card.

Nelson came in today with a 68 and had left the clubhouse an hour before Hogan, with whom he used to caddy at Fort Worth, finished up, grinning broadly.

Four strokes back at 136 was Art Doering, young Denver professional, who had tied Nelson with a 64 at the end of yesterday's first round. Doering shot a one-over-par 72 today as he ran into trouble on holes five and seven where he was one and two over, respectively.

Vic Ghezzi, of Knoxville, Tenn., and Jim Ferrier, of Chicago, former Australian champion, tied for fourth place with 137 each, Ghezzi shooting a 67 today while Ferrier was hitting 69.

Next in line were four more professionals—Dick Metz, of Arkansas City, Kansas; Herman Keiser, of Akron, Ohio; Tony Penna, Dayton, Ohio, and Bob Hamilton, Chicago. Each had 138.

Amateur Frank Stranahan, of Toledo, Nelson's protege, and Professionals Herman Barron, White Plains, N.Y., and George Schoux, San Francisco, had 139's.

Amateur R. Horvath, of Windsor, Ontario, qualified for tomorrow's finals with 147.

SAN ANTONIO, Texas, Feb. 9 (AP).—Byron Nelson, golf's greatest money-winner, said today he would be willing to play with a synthetic ball if all other golfers would do likewise.

But, he declared in commenting on a protest filed with the Professional Golfers' Association by Jimmy Demaret, Houston professional, this would mean that one certain ball would have to be adopted because to use the balls from the various companies would make it more unfair than the synthetic ball versus the prewar ball.

Demaret, here competing in the Texas open, said yesterday in wiring his protest to Ed Dudley, president of the P.G.A., that it was not fair for a fellow back from the service and unable to obtain prewar golf balls to have to shoot against a player who had a stock of them.

Woman Kegler Rolls Perfect Duckpin Game

BETHEL, Ohio, Feb. 9 (AP).—Mrs. Mary Anderson, who rolled an unequalled perfect game in duckpin bowling, exclaimed: "Those last two frames gave me the worst three minutes I've ever had in my life!"

The slight, 31-year-old housewife turned to her 300 pins in ten consecutive frames last week at a Bethel bowling alley.

In Washington, D.C., Arville Ebersole, president of the National Duckpin Congress, said if Mrs. Anderson's feat was performed on regulation alleys with regulation pins, "it is the first time in the recorded history of the game it has been accomplished by either man or woman."

Spaniel Judged Best of Over 300 in Record-Breaking Show

Donald R. Due's cocker spaniel Stockdale Signature took the Grant Mahood Trophy for best dog in Vancouver Island Dog Fanciers' Show at Crystal Garden after the pick of 379 dogs were paraded before Judge Mervin Rosenbaum and a crowd estimated to be the biggest ever to gather at a dog show here.

The winning dog, a black cocker was bred by C. B. Van Meter, of California. Its owner is a Seattle man.

While Mayor Percy George looked on, Mrs. George presented trophies to the following major winners: Mrs. Elva Cohen, Vancouver, Washington, whose Pomeranian, Ch. Dromore Bombardier, was judged best toy; Dr. Walter C. Ayler, Seattle, owner of the Boxer, Ch. Vassal of Mazelaine, judged best working dog; to George Knight, Seattle, owner of the wire-haired fox terrier Ch. Norhill Beth of Knightwyre, best terrier; John S. Playfair, Oregon City, owner of Playfair Yankee Cadet, the Boston terrier judged best non-sporting; Mrs. A. C. Wins Posthumous Victoria Cross

LONDON, Feb. 9 (CP).—The Victoria Cross has been awarded posthumously to Lieut. the Hon. Christopher Furness, of the Welsh Guards, for "a magnificent act of self-sacrifice" during the withdrawal of the British Army from Arras, France, in 1940, it was announced today.

Fushias grow best in an east window during the Winter and in a room that is not too warm. To get an abundance of blossoms pinch off the ends of all branches and whenever you pinch back a new growth will start.

Clovechuk Paces Canucks to 9-4 Win Over Royals

NEW WESTMINSTER, Feb. 9 (CP).—Led by Andy Clovechuk, who rattled home four goals, the Vancouver Canucks crushed the New Westminster Royals, 9-4, in a Pacific Coast Hockey League game here tonight.

The score was even at 1-1 at the end of the first period but the Canucks edged ahead 5-4 at the end of the middle session.

Then the roof fell in on the Royal team and Clovechuk banged home two of his four and Alex Pringle and Elmer Kreller each got one to put the game on ice.

Besides his four goals, Clovechuk also aided in three others to end up with seven scoring points and a tie with Eddie Shamlock in the league scoring race at 78 points each.

Pringle, of the Canucks, got three markers and four assists, Chuck Millman and Kreller each got one goal. Bernie Bathgate, who centres Pringle and Clovechuk, got six assists to bring the line total to 20 scoring points.

Dutch Evers, Ollie Dorohoy, Bob Koch and Willie Schmidt netted for the unfortunate Royals.

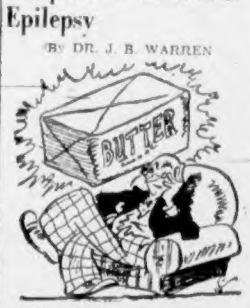
North Shore United And Kerrisdale Draw

VANCOUVER, Feb. 9 (CP).—Kerrisdale and North Shore United went on a goal-scoring spree in the Coast League soccer game at Callister Park here, today, and ended up in a six-all draw before a crowd of 1,300 fans.

Despite the big score the game was interesting, with Kerrisdale really value for a win because of their superior speed and enthusiasm, as against the somewhat lackadaisical methods of several of the United players.

Complete Treatment of Epilepsy

By DR. J. B. WARREN



In former days all the treatment given an epileptic was heavy doses of the bromides to keep him as quiet as possible.

Today epilepsy is treated so scientifically that thousands of epileptics lead useful lives and seldom have an attack. The treatment consists of cutting down on all starch foods—potatoes, sugar, bread—and on all liquids, and increasing the fat foods—butter, cream, fat meats, nuts, egg yolks. In addition the quieting drug phenobarbital or other barbital is prescribed.
